OFFICIAL ANNOUNCEMENT

Subject: Announcement of the Launch of “PRERNA” / “প্রেরণা” Free Coaching Institute.

Dear All Members,

We are pleased to inform you that Naba Suchana Foundation , as part of its commitment towards education and social development, is launching a new educational initiative named “PRERNA” / “প্রেরণা” Free Coaching Institute.

The primary objective of PRERNA is to provide free coaching, academic support, guidance and mentoring to deserving students, particularly those belonging to economically weaker and underprivileged sections of society. Through this initiative, we aim to create greater access to quality education and ensure that financial limitations do not prevent deserving students from receiving proper educational guidance.

We are happy to announce that the first **PRERNA** Free Coaching Centre will be started at:

Pearson Pally,(Kaliganj Club) Shantiniketan, Birbhum, West Bengal

This will be the beginning of our broader vision to take the PRERNA initiative to more communities and locations. After establishing the first centre, we intend to gradually expand the programme by setting up additional coaching centres in different parts of Birbhum and, subsequently, across various districts of West Bengal, subject to the availability of necessary resources, infrastructure, teachers and volunteers.

Through PRERNA, we aspire to support students through regular coaching, academic guidance, assessments, study support, career guidance and other educational activities as required.

We believe that education is one of the most powerful tools for social transformation, and through PRERNA, we wish to contribute towards building a more educated, confident and empowered generation.

We sincerely seek the support, cooperation and encouragement of all our members, volunteers, teachers, well-wishers, community members and other stakeholders in making this initiative successful.

PRERNA is not merely the beginning of a coaching centre; it is the beginning of a long-term journey towards making quality education more accessible to those who need it most.

We look forward to your continued support and cooperation in taking this initiative forward.

With regards,

For Naba Suchana Foundation
